

Privacy Statement

Jamii Telecommunications Limited, hereinafter referred to as “JTL” is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to Jamii Telecommunications Limited Web site, hereinafter referred to as the “Web Site”, and governs data collection and usage. By using the Web Site, you consent to the data practices described in this statement.

Collection of your Personal Information

JTL collects personally identifiable information, such as your e-mail address, name, home or work address or telephone number. JTL also collects anonymous demographic information, which is not unique to you, such as your address, age, gender, preferences, interests and favorites.

There is also information about your computer hardware and software that is automatically collected by JTL. This information can include: your IP address, browser type, domain names, access times and referring Web site addresses. This information is used by JTL for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Web site.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through the Web Site public message boards, this information may be collected and used by others. Note: JTL does not read any of your private online communications.

JTL encourages you to review the privacy statements of Web sites you choose to link to from JTL so that you can understand how those web sites collect, use and share your information. JTL is not responsible for the privacy statements or other content on Web sites outside of JTL.

Use of your Personal Information

JTL collects and uses your personal information to operate the Web Site and deliver the services you have requested. JTL also uses your personally identifiable information to inform you of other products or services available from JTL and its affiliates. JTL may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

JTL does not sell, rent or lease its customer lists to third parties. JTL may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are

prohibited from using your personal information except to provide these services to JTL, and they are required to maintain the confidentiality of your information.

JTL does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

JTL keeps track of the web sites and pages our customers visit within JTL, in order to determine what JTL services are the most popular. This data is used to deliver customized content and advertising within JTL to customers whose behavior indicates that they are interested in a particular subject area.

Security of your Personal Information

JTL secures your personal information from unauthorized access, use or disclosure. JTL secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure.

Changes to this Statement

JTL will occasionally update this Statement of Privacy to reflect company and customer feedback. JTL encourages you to periodically review this Statement to be informed of how JTL is protecting your information.
